

AARON MASSEY | MR. FIX IT

Builder | Host | Podcaster

Aaron Massey is a skilled craftsman with a passion for building stuff and making videos. As Mr. Fix It, he creates DIY, How-To, Woodworking, Installation, and Home Improvement related project and tutorial videos. With over 11 million views on YouTube, Aaron prides himself on approaching every project with a willingness to learn, grow, and expand his skill set, while passing on what he's learned to his growing YouTube fan base. He believes that anyone with the right set of tools, knowledge, and willingness to push past their fears can build or fix something they never thought possible, and can do it without spending a ton of money. Aaron is also the producer and co-host of the home DIY podcast, Home School'd.
